0008	SAMPLE: SAMPLE	11-Nov-2001	XXXXXXXXXXX	XXXXXXXX															4											

You will see more than one column for qualifications where: there is an endorsement, there are options with different entry codes, or, the qualification is tiered. The column headers will display the name of the award so some columns will have the same header, this will be consistent with the award shown on Candidate Statement of Results and what will appear on certificates.
