Teacher declaration

I confirm the candidate's work was conducted under the conditions laid out by the specification and that the prescribed practitioner studied by the candidate for component 2 was different from the practitioner the candidate studied for component 3.

Practitioner for Component 2
Creating original drama

Practitioner for Component 3
Making theatre (Extract 3)

I confirm that the candidate's course of study for component 3 conformed to the following requirements:

- the plays studied were professionally commissioned or professionally produced
- the plays studied conformed to the minimum length requirement (35 minutes in duration if performed in full) and all other requirements relating to choice of play as set out in the specification, including social, cultural and historical context
- none of the plays studied were the set play the candidate studied for component 1
- the plays studied did not contravene a prohibited play combination
- the extracts studied were each considered in the context of the play as a whole
- all three extracts were explored practically/workshopped

I have authenticated the candidate's work and am satisfied (to the best of my knowledge) that the work produced is solely that of the candidate.
