GCSE English Language (8700)

For candidates entered through our centre for GCSE English Language who are **not** carrying forward their spoken language endorsement from a previous attempt, I confirm that:

- every reasonable step has been made to ensure that all our candidates have had an opportunity for an assessment of the Spoken Language endorsement to be made. The assessments that have been provided to AQA accurately reflect the achievements of the candidates and we have kept stored internal records to support them.

Where more than one teacher/assessor has been involved in marking the work:

- all of the teachers/assessors involved have been standardised to ensure that all our candidates have been judged against the same standards.
