## AQA and Third-Party Copyright

For confidentiality purposes, from the November 2015 examination series, acknowledgements of third-party copyright material will be published in a separate booklet rather than including them on the examination paper or support materials. All papers which include third-party copyright material will be listed in this booklet arranged alphabetically by subject. Where a paper has more than one edition the acknowledgement will appear separately under each unit. Please assume that any examination papers which are not listed in the booklet are purely the copyright of AQA.

We will publish a booklet after each examination series. It will be made available on the AQA website at [www.aqa.org.uk](http://www.aqa.org.uk).

Permission to reproduce all copyright material has been applied for. In some cases, efforts to contact copyright-holders have been unsuccessful and AQA will be happy to rectify any omissions of acknowledgements.

The AQA Copyright Teams can be contacted by email [copyright@aqa.org.uk](mailto:copyright@aqa.org.uk) or by post. We have teams in both the Guildford and Manchester offices.

### How to find an acknowledgement

Each acknowledgement is listed first by subject and then under the unit number of the examination paper in which the copyright material appears. Where an exam paper has more than one document associated with it, each document is given with its separate acknowledgements.
