From summer 2017, our A-level Biology, Chemistry and Physics qualifications will also have a Practical Skills endorsement (seen here in purple) as part of the award. The pass grades will be Pass (P), Merit (M) or Distinction (D). Where a student does not attain a pass grade this will be displayed as Not Classified (NC).

The example here shows the grades achieved for the Practical Skills in three columns, one for each of the endorsements. The subject column identifies the relevant science subject as (B), (C) or (P).

For summer 2017 onwards, the GCSE Broadsheet of Provisional Results will look similar to the above example. It may contain a mixture of grades from both the A\*(a\*) to G(g) scale and the new 9(nine) to 1(one) scale used for new reformed specifications.

Where the English Language (8700) specification is awarded, another column (seen here in purple) will display the Spoken Language endorsement grade as Pass (P), Merit (M) or Distinction (D). Where a student does not achieve a pass grade in the endorsement, the grade will be shown as Not Classified (NC).

Students gaining an A\*(a\*) grade will show as a \* symbol. Students gaining a double award grade of A\*(a\*) A\*(a\*) will show the \*\* symbol as their result.
