Qualification results summary (overall grade)

Use the export button (circled blue below) to save the file as a full list of learner's **overall grade** results.

The screenshot shows a web interface for a 'Tech Level Qualification Results Summary'. At the top, there is a 'Back to Reports' button and a 'View Report' button. Below this is a navigation bar with a search box labeled 'NCN' and a 'View Report' button. A blue circle highlights an export button in the navigation bar, which has opened a dropdown menu with options: XML file with report data, CSV (comma delimited), PDF, MHTML (web archive), Excel, TIFF file, and Word. The main content area features the AQA logo on the left and the title 'Technical Level Statement of Qualification Results' in the center, with 'Series: June 2018' below it. A table below contains columns for 'Candidate Number', 'Forename', 'Surname', 'Qualification Title', and 'Grade Achieved'. The first three columns are currently empty, with a note 'Your centre name and number will appear here' below the header. The 'Qualification Title' column contains 'AQA Level 3 Foundation Technical Level IT: Cyber Security' for all rows. The 'Grade Achieved' column shows 'PASS', 'MERIT', 'NOT CLASSIFIED', 'MERIT', and 'PASS' for the five rows respectively. Annotations with blue arrows point to the first three columns, the 'Excel' option in the dropdown, the 'Grade Achieved' column, and the 'Qualification Title' column.

The learner's details will appear in the first three columns.

This is the overall grade achieved by the learner.

This is the Qualification title.
