1. Each exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either 9.00am or 1.30pm. Students taking more than one exam in a session should take these consecutively. A supervised break may be given between the exams taken consecutively at the discretion of the school or college.
2. Schools/colleges may start an exam up to 30 minutes before the published starting time without notifying AQA.
3. Schools/colleges may delay the starting time of an exam within the scheduled session without notifying AQA but students must be supervised from 9.30am for morning exams or 2.00pm for afternoon exams.
4. For information on any other timetable variations, please refer to the Joint Council for Qualifications (JCQ) [Instructions for conducting examinations](#) booklet or contact [Customer Services](#).
5. Students must remain under supervision until 10.00am for morning exams and 2.30pm for afternoon exams. For exams of less than one hour's duration, students must remain under supervision for a period equal to the duration of the exam after the published starting time shown on the timetable.
6. Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Schools/colleges should check the specification for information on the material required by students.
7. Any reading time specified for an exam is included in the time specified.
8. All controlled assessment and coursework marks must be submitted by 10 January 2019. The external assignment for Entrepreneurial Opportunities (1831 and 1832) should be submitted by 25 January 2019. Visit our website for information about [carrying forward marks](#).
