

# Exam timetable

## May/June 2020

A-level, AS, Level 3 certificates, Functional Skills, AQA Baccalaureate, Level 3 Extended Project, Applied General and TVQ

### General notes

1. A-level and AS exams are timetabled in common exam slots agreed by all exam boards under the Joint Council for Qualifications (JCQ).
2. Each exam must be taken on the day, date and at the time shown on the timetable. The published starting time of all exams is either 9.00am or 1.30pm. Students taking more than one exam in a session should take these consecutively. At the discretion of the school/college a supervised break may be given between the exams taken consecutively.
3. Schools/colleges may start an exam up to 30 minutes before the published starting time without notifying AQA.
4. Schools/colleges may delay the starting time of an exam by up to 30 minutes later than the published starting time without notifying AQA.
5. For information on any other timetable variations, please refer to the JCQ [Instructions for conducting examinations](#) or contact [Customer services](#).
6. Students must remain under supervision until 10.00am for morning exams and 2.30pm for afternoon exams. For exams of less than one hour's duration, students must remain under supervision for a period equal to the duration of the exam after the published starting time shown on the timetable.
7. Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Schools/colleges should check the specification for information on the material required by students.
8. Any reading time allowed for an exam is included in the time specified.
9. Schools/colleges must arrange practical and oral units according to the procedures given on the relevant [subject](#) page of our website. Such units are shown only on the 'Subject and product list' pages of this document.

### Subject/qualification notes

15. Modern Foreign Language speaking tests must be conducted between 14 April –22 May 2020. Schools/colleges can only test during 5 weeks of this window.
16. Functional Mathematics Level 1 4367 and Level 2 4368 pre-release material can be issued to students on or after 17 April 2020.
17. Preliminary material for Level 3 Mathematical Studies should be issued to students on 1 March 2020. Please note that preliminary material for Paper 2 is common for all paper 2 units.
18. The visiting window for A-level Drama (7262/X) will take place between 20 November 2019- 31 May 2020.
19. The awarding bodies have designated Wednesday 24 June 2020 as a 'contingency day' for examinations. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland* - <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

The designation of a 'contingency day' within the common examination timetable is in the event of national or local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations.

Centres must therefore remind candidates that they must remain available until Wednesday 24 June 2020 should an awarding body need to invoke its contingency plan.
