## November 2022

GCSE, Functional Skills and Level 3 Extended Project

### Timetable notes

1. Each exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either 9.00am or 1.30pm. Students taking more than one exam in a session should take these consecutively. A supervised break may be given between the exams taken consecutively at the discretion of the school or college.
2. Schools/colleges may start an exam up to 30 minutes before the published starting time without notifying AQA.
3. Schools/colleges may delay the starting time of an exam within the scheduled session without notifying AQA but students must be supervised from 9.30am for morning exams or 2.00pm for afternoon exams.
4. For information on any other timetable variations, please refer to the Joint Council for Qualifications (JCQ) [Instructions for conducting examinations](#) booklet or contact [Customer Services](#).
5. For examinations that last less than one hour, candidates must be supervised and question papers must be kept in the centre's secure storage facility until the published finishing time of the examination.
6. GCSE exams are timetabled in common timetabled slots agreed by all exam boards under the JCQ.
7. Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Schools/colleges should check the specification for information on the material required by students.
8. Any reading time specified for an exam is included in the time specified.
9. Schools/colleges should submit their internally-assessed marks/assessments so that they are received by AQA and their designated AQA moderator by 5 November 2021. Visit our website for information about [carrying forward marks](#).
10. GCSE subjects are only available to students who are aged 16 or over on 31 August 2022.
11. All results will be sent to be received in schools/colleges as follows:
