

We make **Six** different types of modified papers:

### Large print

A4 18pt

A4 24pt

A3 24pt

A3 36pt

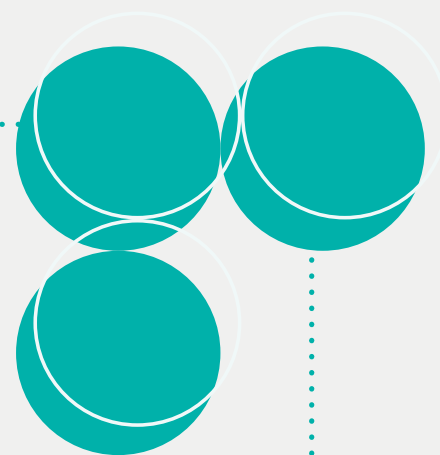

### Braille (Unified English Braille)

**Grade II**

**Grade I**

Grade II is requested more. It's quicker to read, write and takes up less space.

It uses the same letters, punctuation and numbers as Grade I, but includes shorthand where groups of letters may be combined into a single braille cell.

Each summer...

We produce about  
**190**  
Braille materials.

We create about  
**1200**  
modified large  
print materials.

We receive about  
**18,000**  
requests for  
modified materials.

It takes  
**six different  
people six weeks**  
to produce a modified paper.

In 2018, all of the exam  
boards received over  
**300,000**  
applications for access  
arrangements.

→ There are around  
**13 different**  
access arrangement types,  
other than modified papers.  
You can find details of them  
on [JCQ's website](#).
