Subject grade boundaries – Summer 2022 exams

The first worksheet of this document shows subject grade boundaries. The second worksheet shows notional component grade boundaries for illustrative purposes only. Where NEA has been excluded for this examination series, the overall subject-level grade boundaries are based on the examined components only and the maximum mark for the subject has also been adjusted accordingly to exclude the NEA component.

Component grade boundaries – Summer 2022 exams

The first worksheet of this document shows subject grade boundaries. The second worksheet shows notional component grade boundaries for illustrative purposes only.

Where component marks are scaled two sets of grade boundaries are shown. The first row shows raw mark boundaries and the second (shaded and italicised) shows the scaled grade boundaries.

Component grade boundaries – Summer 2022 exams

The first worksheet of this document shows subject grade boundaries. The second worksheet shows notional component grade boundaries for illustrative purposes only.

Where component marks are scaled two sets of grade boundaries are shown. The first row shows raw mark boundaries and the second (shaded and italicised) shows the scaled grade boundaries.

[See this webpage for a guide to notional component grade boundaries](#)
