

Exam results statistics – June 2019

AS

Here you can see results statistics for AS exams including the reformed linear specifications and out-going modular specifications. The reformed specifications are those with an entry code beginning with a '7'.

For each subject reported in the results statistics, you can see:

- numbers of candidates who sat the subject
- cumulative percentages of candidates at each grade (ie the percentage achieving that grade or higher).

These figures are provisional, pending enquiries about results.
