

Exam results statistics – June 2018

GCSE (subjects which use the A* to G grade scale)

For each subject reported in the results statistics, you can see:

- numbers of candidates who sat the subject
- cumulative percentages of candidates at each grade (ie the percentage achieving that grade or higher)

The first section presents the results statistics for full course GCSEs, the second section presents the results statistics for the short course GCSEs, and the third section contains the statistics for the GCSE double award subjects.

These figures are provisional, pending Enquiries about Results.
