

Exam results statistics – June 2021

GCSE

For each subject reported in the results statistics, you can see:

- numbers of candidates who sat the subject
- cumulative percentages of candidates at each grade (ie the percentage achieving that grade or higher)

The first section presents the results statistics for full course single award GCSEs, the second section presents the results statistics for the full course double award Combined Science GCSEs, and the third section contains the statistics for the Religious Studies short course.

English Language, English Literature and Mathematics

For these subjects the results statistics are also presented for specific age-groups, these being: aged 15 and under, aged 16, aged 17 and over. Candidates' ages are calculated as at 31 August 2021.

These figures are provisional, pending Enquiries about Results.
