Grade boundaries – June 2016 exams

AQA Level 3 Certificates

Certificate in Enterprise, Employability and Personal Finance (1806)
As this specification uses uniform marks, here you can see the **unit** grade boundaries. As all units comprise one component only these are raw mark grade boundaries.

Certificate in Mathematical Studies (1350)
As this specification does not use uniform marks, here you can see the subject and component grade boundaries.

Additional information on grade boundaries and uniform marks can be found here.

For further information, contact eos@aqa.org.uk.
