

Resource roadmap – proposed

All the support you need for the new **AS and A-level Business** specification

We're busy working on a full set of resources, so you have everything you need to deliver the new specification with confidence, ready for first teaching from September 2025.

This guide provides an overview of our proposed resource offer. As we work with Ofqual to gain accreditation we will finalise this roadmap in more detail.

2024

Summer – Autumn terms

- Summary of changes – a comparative review of the changes between our existing specification and our new specification
- Switching guides – a specification comparison guide between AQA and other boards
- Command words
- Teaching handbook/launch guide
- Item commentary booklets – our commentary booklets help you to understand how each question has been developed
- Launch meetings to introduce teachers to our new specification
- Curriculum Connect – regular sessions will take place throughout the term, with live Q&A. Sessions will be available to book on the Professional development page of the website

2025

Spring term
