# AS and A-level Physics practicals: Equipment set up

---

Practical 1: Investigation into the variation of the frequency of stationary waves on a string with length, tension and mass per unit length of the string

V1.0 – September 2016

Contribution from Marcin Poblocki, Senior Physics Technician at Manchester Grammar School

# Setting up the apparatus as in the diagram

After reading the frequency, repeating the procedure again

---

...and again

# View from above
