ZANI

Zani PLC is a jewellery retailer. Its products include rings, necklaces and bracelets that are made with precious metals and gemstones. Zani PLC has a strong brand reputation for unique designs. The company targets high-income earners. The price elasticity of demand for Zani PLC's products is estimated to be -0.4.

Zani PLC was established in 2005 by Ted Zani. Ted had previously worked for a big multinational jewellery business but left because he wanted to be his own boss. He set up the business with venture capital. In its early years, with Ted in charge, the company had a power culture (according to Handy's model). Shareholders felt a change of culture was necessary as the business got bigger and so Ted was replaced as Chief Executive in 2013.

Zani PLC set up 16 of its own stores in its first eight years. The company has continued to grow since then by selling 150 franchises around the world.
