DESIGN AND TECHNOLOGY: FASHION AND TEXTILES

Paper 1 Technical Principles

7562/1

Time allowed: 2 hours 30 minutes

For this paper you must have:

- normal writing and drawing instruments
- a scientific calculator.

At the top of the page, write your surname and other names, your centre number, your candidate number and add your signature.

BLANK PAGE

INSTRUCTIONS

- Use black ink or black ball-point pen. Use pencil only for drawing.
- Answer ALL questions.
- You must answer the questions in the spaces provided. Do NOT write on blank pages.
- If you need extra space for your answer(s), use the lined pages at the end of this book. Write the question number against your answer(s).
- Do all rough work in this book. Cross through any work you do not want to be marked.

INFORMATION

- The marks for questions are shown in brackets.
- The maximum mark for this paper is 120.

DO NOT TURN OVER UNTIL TOLD TO DO SO

Answer ALL questions in the spaces provided.

0	1
---	---

Complete TABLE 1 opposite by inserting the correct fibre from the list below into each fibre category.

Do NOT use any fibre more than once. [6 marks]

Ceramic

Kevlar[®]

Lycra[®]

Nylon

Polyester

Polyvinyl

PTFE

Ramie

Silk

Tactel[®]
