From secret telegrams sent to Stalin by Beria, the People's Commissar for Internal Affairs and Chief of Soviet security (NKVD), 1944.

29 February: This is to report the results of the resettlement operation of the Chechens and Inguish. The resettlement began on 23 February in the majority of districts with the exception of high mountain areas. 177 special trains have been loaded of which 159 have already been sent to the new place of settlement. Today special trains departed carrying former leaders and religious authorities. 5

10 May: Taking into account the treacherous activities of the Crimean Tatars against the Soviet people and the undesirability of the further habitation of the Crimean Tatars in border zones of the USSR, the NKVD presents for your consideration a draft resolution on the resettlement of all Tatars from the Crimea. We consider it expedient to resettle the Crimean Tatars as special settlers in regions of the Uzbek Soviet Socialist Republic, to be used for agricultural work and also in industry and transport. The resettlement operation will begin on 20/21 May and be completed by 1 July. 10 15 20
